HENRY LEE (1826-1888), naturalist

Letters to Henry Lee, naturalist to the Brighton aquarium and a Fellow of the Linnaean, Geological and Zoological Societies. The letters are mainly from fellow naturalists and geologists, and relate primarily the Brighton aquarium, Land and Water and other publications, the Fisheries Exhibition at the Natural History Museum, 1883, and marine biology generally. There are also many letters documenting Lee's wide social and cultural connections. 1866-87 and n.d. 723 items.

Glendining's 22-25 Aug. 1932, lot 86 (acc. 67704), and 26-27 Sept. 1932, lot 408 (acc. 67656). Other items were acquired separately (acc. 69294).
